The Department of Housing & Community Development (DHCD) has issued guidance in recognition of the unique challenge that the COVID-19 pandemic presents to resident incomes and the normal course of our business.

Effective immediately:

Annual Rent Recertification: DHCD has instructed Housing Authorities to defer the annual rent recertifications for all state-funded public housing residents for 2020. This means that all annual rent recertifications are deferred until January 2021.

Interim Rent Redetermination: CHA is reminding our residents of your ability to redetermine rent **due to income loss at any time**. If you have lost income, you should notify our office and you may do so by email, fax or via phone and we will make every effort to complete the redetermination in a timely manner.
